Dear Parents,

Your child's class will be visiting the Book Fair twice during school hours on Monday, Tuesday, Wednesday or Thursday of Book Week. Any purchases are completely optional, but to make the Book Fair successful, we have compiled some helpful information:

- If you plan on letting your child make a purchase, please send your child into school with cash or a blank check (made payable to **Barnes & Noble** with an amount limit written in the memo section). Please don't forget our state sales tax of 5%!! We cannot accept checks prewritten with the incorrect amounts.
- As there will be a limited supply of certain books, we are not allowed to hold any books nor will Barnes & Noble be ordering additional copies.
- Any books you wish to have signed by an author or illustrator should be purchased early in the week to avoid disappointment.
- This year Barnes & Noble SCRIP cards will be sold at the door during the Ice Cream Social. Please note that only Barnes & Noble SCRIP cards SOLD Wednesday night can be used Wednesday night. No other Barnes & Noble gift cards may be used as we have no way of verifying other gift card amounts.

If you have any questions or would like to volunteer (especially Wednesday night!), please contact Kathleen Polutchko at 508-480-9788 or kathleenhp@charter.net.
